National Rubber Buying Price Notice
1 September 2026

No.	Factor	Amount
1.	Gross Price	862.20
2.	GOL (4%)	34.49
3.	RDFI	8.71
4.	RPAL	2.00
5.	Net Price (Farmers will receive)	817.00

1. This is the national rubber buying price effective as of the above-mentioned date for one ton of coagulum (cup lumps or slabs) delivered at factory gate.
2. There shall be **NO DEDUCTION** for “water loss” from rubber delivered at the factory gate: that has already been calculated to arrive at the DRC which is being used to determine the price.
3. Any rubber-buying entity purchasing below the above prices or deducting “water loss” from the farmers’ rubber should be reported for prosecution **(Please call: 0770279799/0886572939)**
